

Callista Light / Callista Light BDI

Basic call management with advanced phone control

Overview.

- Specifically designed for small businesses & small hospitality properties requiring basic call management & total control over telephone extensions
- Perfectly suited for small hotels & internet cafes where margins can be added to every call
- Extensions can be controlled directly from reception PC via a powerful bi-directional interface to the telephone system*

* Only available in Callista Light BDI. Some PABXs do not support these features.

Features.

- Easy-to-use, user-friendly interface for fast room/extension allocation & invoice/report printing
- Display calls for each room/extension on a real-time monitor
- Account for every call with easy-to-use invoicing
- Call margins added automatically
- Calls automatically flagged as paid after invoicing eliminating call allocation errors
- Extension unlocking/locking on checkin/out*
- Schedule wake up calls*
- Update room status in system directly from room extension*
- Message waiting features*
- Set Do Not Disturb indicators from reception PC or room extension*

* Only available in Callista Light BDI. Some PABXs do not support these features.

Easy set-up.

*Powerful BDI.

... Callista Light via its bi-directional interface, integrates PC & PABX with minimal user intervention

BDI functions are easily accessible from the main Callista window and can be set and unset quickly and efficiently with one click . . .

* Only available in Callista Light BDI. Some PABXs do not support these features.

Real-time call monitor.

The screenshot displays the 'Callista Light BDI 3.00 (Build 3.04)' application window. It features a menu bar with 'File', 'Report', 'Debug', and 'Help'. A 'Select Extension:' dropdown is set to 'All'. Below the menu is a toolbar with icons for Invoice, Configuration, BDI Setup, Clear Extension, Control, Refresh, Help, and Close.

The main area is divided into two tables:

EXTENSION STATUS

Extension	Phone Status	Room Status	Guest Name	First Call	Last Number	Total Cost	Inc. Tax
